Deposit for the IVF packages: €1,000

Not included in the price:

- Stimulation medications: €600–€1,200
- ECG (for women over 40): €100

Administration Fee

In the event of a cancelled cycle, an administration fee of €300 applies. This fee is always non-refundable and does not cover the cost of tests.

Refunds

- Once stimulation has started (medications taken) and the egg retrieval stage is not reached, the €1,000 deposit is non-refundable.
- If the egg retrieval stage is reached but no eggs are collected, a partial refund will be issued according to the selected package:
IVF Basic – refund €500, IVF Optimal – refund €1,100
and IVF Maximum – refund €1,700.
- If there is no suitable embryo for transfer, a partial refund will also be issued depending on the package: IVF Basic – refund €200, IVF Optimal – refund €350 and IVF Maximum – refund €450.
- All medication purchases are non-refundable.

How long will you be in Prague?

Please plan to stay in Prague for about **7–10 days**. We warmly recommend joining us already for your first stimulation scan, as it ensures the most accurate monitoring and smoothest treatment process.

Consultations and pre-treatment tests are completely free of charge.

What will be required before treatment?

For both partners:

- Signed informed consent forms
- STD test results (HIV, hepatitis B/C, syphilis)

For women:

- Pelvic ultrasound with a clear image of the uterus and fallopian tubes
- Fertility blood test to check levels of hormones FSH, LH, AMH, PRL, TSH and E2 should be performed between 2nd and 5th day of menstruation
- PAP test

If over 40: Breast examination (external provider)

Recommended: ureaplasma, mycoplasma, and chlamydia smear test

For men:

- Semen analysis (spermiogram)

We'll provide a checklist and help arrange any tests needed.
